1. MATH 113, MATH 123 and 124, HNRT 125 or HNRT 225 fulfills the quantitative reasoning requirement for the Honors College. Each MATH course requires a placement test. The tests will be offered during Orientation.

2. HNRT 227 can be substituted for any four-credit lab science course accepted by the Mason Core requirements. See the University Catalog for your catalog year for a detailed course list.

3. If you are doing honors in the major, you need to complete ANTH 499 in this semester.
